1. O Lord, my God, in - cline to me, This wretch who makes a fer - vent plea
2. O Lord, my God, please list - en, hear This prayer from one who would draw near
3. O Lord, my God, you spoke, I heard, I heard you speak in world and Word,

For great - er strength to face each day, For guid - ance to a bet - ter way,
To feel your pres - ence, O, Di - vine, And to your will my will re - sign,
The voice you used spoke mis - er - ies Re - marked by scrip - ture's least of these,

A bet - ter way to or - dered life, A bet - ter way to han - dle strife,
My will re - sign, to learn the way, My will re - sign, mind it each day,
To least of these you turned my face, To least of these I owe your grace,

O Lord, my God, please hear this plea And show the bet - ter way to me.
O Lord, my God, please draw me near, As I my will re - sign, to hear.
O Lord, my God, that is your word, "The least of these," and I have heard.
