1. But nev - er fear, for God has formed, re - deemed you - Cre - a - tor God, who calls you by your name,
2. And nev - er fear, for God al - ways sup - plies balm To com - fort you when flames of doubt cause strain,
3. For - get the past, for God is look - ing for - ward, He does a new thing with life's rough waste - land,

And when you cross dark wa - ters he is with you To stem the tide of woes that could cause shame.
And through the blaze of hard times he will bring calm To give you peace, for - ev - er to re - main.
And in that waste his streams flow ev - er on - ward - Lifes's des - ert blooms and there God helps you stand.
