

When Doubts Would Shake My Faith

Words and Music by
James L. Clark

Tune: **Blast**
C.M.D.

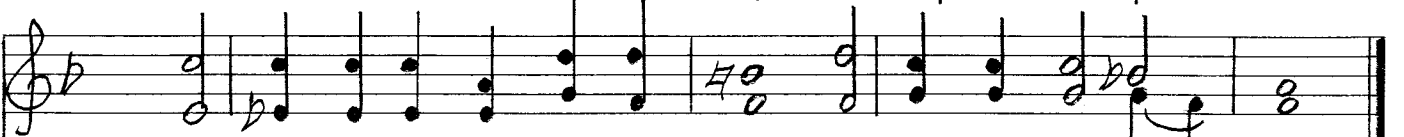

1. When doubts would shake my faith, O Lord, Temp - ta - tions steal my mind,
2. When I would fail to wit - ness, Lord, Through ei - ther sloth or fear,

When self - ish - ly you are ig - nored, And I to Truth am blind,
Or fail to give, in - stead, just hoard, Midst need both far and near,

When I would put my - self a - bove All o - thers as my creed,
When I would turn a - way from those Who, help - less, cry to God,

Please let me feel a - new your love, And lift me from my greed.
Please blast me from my calm re - pose, Help me their paths to trod.
