1. Cry out, O man, cry out in praise! Cry out in joy - ful sounds,
2. Cry out, O man, cry out a - gain In ac - cla - ma - tion strong,
3. Cry out, O man, cry out once more, Give vent to due re - spect

Your voice in an - thems loud - ly raise To God whose love a - bounds;
Shout prais - es to the Man of men, To Christ lift high your song;
To Ho - ly Ghost who ev - er - more Man's faith seeks to per - fect;

For in His i - mage made He man, And gives him day by day
For in the hour of Sa - tan's leer When wrong would seem to win,
Who, just as pro - mised by the Lord, Stands dai - ly in the world

The beast, the herb, the sea, the land To speed him on his way.
He died when o - thers shrank in fear, And rose to con - quer sin.
To strength - en him who trusts the Lord, When at his trials are hurled.
