Words and music by  
James L. Clark

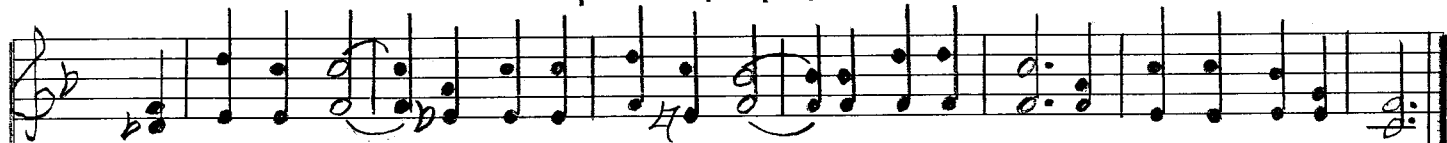

Tune: Great Mind  
10.(6)

1. O mak - er of the hea - vens and the earth, Great mind that spoke Cre - a - tion in - to birth,  
2. O mak - er of your i - mage, male, fe - male, So pre - cious that with them Christ came to dwell,

Hear thanks for all that man - kind has re - ceived Yet knows the per - fi - dies he has con - ceived;  
Hear praise for all he taught and for his strife, For res - ur - rec - tion, thus e - ter - nal life;

Please grant for - give - ness for this world of sin, In - still the drive for sal - vage to be - gin.  
Please grant a bless - ing, giv - ing peace with - in, In - still the strength to kill temp - ta - tion, sin.
