Tune Name: LIVING WATER  
8.6.8.6. [D]

1. The dai - ly wa - ter from the well Was all she meant to draw  
2. All she had done by Him was known, He told her of her life,  
3. The Word made flesh with earth - ly needs, God's Son who drank and ate,

For those who in her house would dwell, Whose needs she o - ver - saw;  
And, though her sin did not con - done, Was kind, not cau - sing strife;  
In all He taught through words and deeds Showed love, con - demn - ing hate.

But Je - sus met her at her task, Re - quest - ed cool - ing drink,  
And then He bade her spread the word - Mes - si - ah was on earth;  
De - scrib - ing God as Spir - it force Re - quir - ing spir - it, truth

Of liv - ing wa - ter then to ask, Would she pre - fer to drink?  
Through-out her town she then was heard, And yet through - out the earth.  
From those who wor - ship pri - mal source, He is the liv - ing truth.
