Words and music by

Tune Name: COME FORTH  
7.7.7.7. [D]

1. Dead four days and in his grave, Je - sus' friend would laugh no more;  
2. Weep - ing in His hu - man form, Son of God their grief could feel;  
3. "Laz - a - rus, come forth," He cried, Res - ur - rec - tion was God's son;

Bur - ied deep in - side a cave, Gone, it seemed, for - ev - er - more.  
Powered to calm life's wild - est storm, Son di - vine their grief could heal.  
Laz - a - rus drew by His side, Bonds of death to be un - done.

Mar - tha, Ma - ry, in their grief, Wel - comed Je - sus to their fate,  
Ask - ing just for faith a - fresh, Find - ing on - ly deep - est gloom,  
Then be - lieved a mul - ti - tude That Mes - si - ah was on earth,

Not ex - pect - ing soon re - lief, Sad that He had come too late.  
Warned a - gainst the stink - ing flesh, Je - sus faced the rock - bound tomb.  
Dai - ly now faith is re - newed, For Mes - si - ah gives new birth.
