Tune Name: MANNA
8.8.8.8.(D)

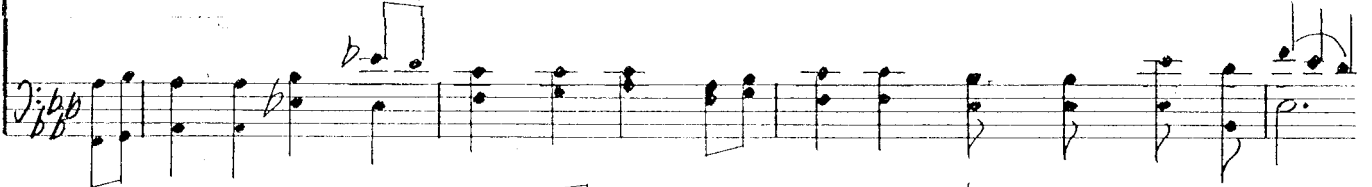

1. In sum - mer scene of fields of green, The grow - ing bean, by pil - grim seen,
2. In har - vest scene of fields ser - ene, The rip - ened bean, by pil - grim seen,
3. In drought-cursed scene ber - eft of green, The dy - ing bean, by pil - grim seen,

Cre - a - tor God of na - ture's plan Through rain and sod pro - vides for man;
Cre - a - tor God through na - ture's plan From depths of sod pre - sents to man;
Cre - a - tor God by great - er plan from O - ther sod re - news through man;

With heat and light from sun - sent rays Come root and height through flower - ing days;
Thanks - giv - ing shout for fields to glean, Sing praise through - out the world of green,
Come join the throng, God's man - na be, Come, swift and strong, His will to see,

From far and wide, praise na - ture's plan, God will pro - vide for needs of man.
From far and wide, praise God's own plan, He will pro - vide for needs of man.
From far and wide, in God's own plan, With Him pro - vide for needs of man.
