

LIFT UP YOUR EYES! BEHOLD THE CROSS!

Words and Music by
James L. Clark

Tune: BEHOLD GOD'S SON
8.8.8.8.[D]

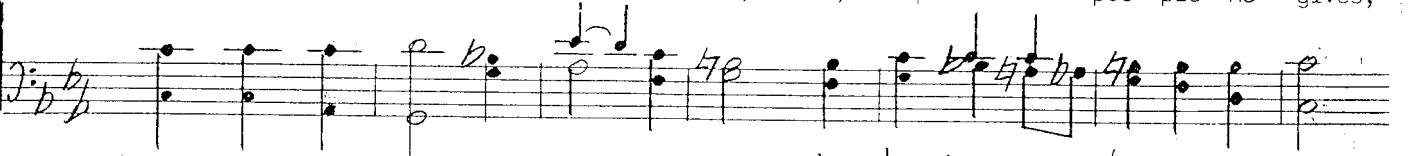

May be sung in unison

1. Lift up your eyes! Be - hold the cross! Re - mark there the blood grim - ly shed;
2. Lift up your eyes! Be - hold the grave! And see how the stone seals the Vault;
3. Lift up your eyes! Be - hold God's Son! He stands in the gar - den and lives;

There, in full view, the fi - nal loss, God's Word in His Son now is dead;
No - thing re - mains that man can save, And no God that man can ex - alt;
Now death is dead, for Christ has won, Thus, hope to all peo - ple He gives;

As was fore - told, Christ bears sin's cost, But in His death, all hope seems lost;
Too weak God's Son? Too great sin's cost? Too strong man's hate? sal - va - tion lost?
Nailed to the cross, His life the cost, By His new life death's grip is lost

Lift up your eyes! Be - hold the cross! There, in full view, the fi - nal loss.
Lift up your eyes! Be - hold the grave! No - thing re - mains that man can save.
Lift up your eyes! Be - hold God's Son! Now death is dead, for Christ has won.
