1. My grace is suf - fi - cient for you For all in my name that you do;

2. My grace is suf - fi - cient for you, All things in my power I can do;

My grace is suf - fi - cient for you When grief or when pain trou - ble you;

My grace is suf - fi - cient for you, As near as your breath is to you;

Your needs I can see day by day, Your works I can see on your way,

And then when the night con - quers day, When death walks with you in the way,

I hear wor - ship, love when you pray, My cross is where bur - dens you lay.

My spir - it for you then will pray, My Heav - en at your feet I lay.
