

# NOT FOR NOTHING GAVE HE HIS LIFE

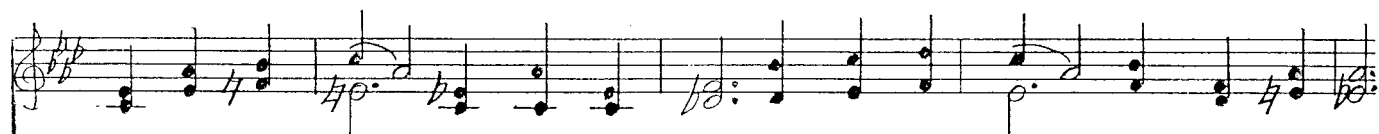

Words and Music by  
James L. Clark

Tune Name: SOMETHING  
8.8.8.8.[D]

may be sung in unison

1. Not for no - thing gave He His life, For my some - thing bore He His strife;  
2. Not for no - thing must I now live, From my some - thing must I now give;

Not of God's plan was He a thrall, But, for my weal gave He His all;  
Not just my weal must be my gain, But, com - mon - weal must I ob - tain;

In His good - ness bore He the pain, For my lost - ness would He be slain;  
In His good - ness will I pre - vail, From my lost - ness would I but fail;

Not for no - thing gave He His all, Of my some - thing was He in thrall.  
Not for no - thing will I ob - tain, Of my some - thing will there be gain.
