Tune: LIVING WATER
C.M.D.

May be sung in unison

1. Now turn to God through pla - ces seen Where none re - joice in hope,
2. Now turn to God through pla - ces near Where hope makes all re - joice,
3. Then turn with God toward hu - man - kind And see be - yond your wall,

Where hung - er, sick - ness curse the scene With which but few can cope,
Where days are sel - dom felt as drear, La - ment has lit - tle voice,
Where through the world be - lieve - ers find The need - y in gloom's pall,

Where life is marked by things ob - scene With - in a pa - gan scope,
Where life is free from dai - ly fear And things are gained by choice,
Join in the strength of God to bind Your - selves to heed their call,

Now turn to God through pla - ces seen Where none re - joice in hope.
Now turn to God through pla - ces near Where hope makes all re - joice.
Yes, turn with God toward hu - man - kind And go be - yond your wall.
