O praise the Lord! Yea, lift your voices high;
 Extol God's name above all names on earth!
 O praise the Lord! For man's attention vie;
 Exclaim God's mighty acts, His love, His worth!
 For He has made the world
 And all which therein is;
 The stars in place He hurled,
 The universe is His!
 O praise the Lord! In awe and wonder shout!
 Extol His name the lands and seas throughout!

Sing praise to Christ! Yea, lift your praise
 in song;
 Adore the spotless Son Who left God's side.
 Sing praise to Christ! In accents loud and long
 Give vent to deepest love for Him Who died!
 For kingly robes He shed
 Salvation's grace to bring;
 As on the cross He bled,
 From death removed the sting!
 Sing praise to Christ! Yea, let your tunes begin;
 Adore the risen one who conquered sin!

Praise Holy Ghost, God's spirit in the earth!
 Show forth respect for Him Who leads God's child.
 Praise Holy Ghost! And sing in deepest mirth
 Of Him Who calls all men from things defiled;
 The gift of God to man
 To urge him to the Son,
 Then help him sin to ban
 As righteousness is won.
 Praise Holy Ghost! Sing out above the din!
 Show forth respect for Him Who dwells within.
