

PRAISE BE TO GOD, MAKER AND LORD

Words and music by  
James L. Clark

1. Praise be to God, Ma - ker and Lord! Let voi - ces rise in strong ac - cord.
2. Prayer be to God - Fa - ther and friend! Him whose con - cern will ne - ver end -
3. Thanks be to God - gi - ver of life, One of the flesh, one of God's strife;

Let songs go forth, lift high His name, Him through all time al - ways the same;  
Him whose strong arm ne - ver will bend, Let prayers as - cend, God will at - tend;  
Let songs a - bound, thanks - giv - ing raise, Let throngs re - sound in joy and praise;

Praise now our God - Cre - a - tor, Lord, By stand - ing fast, His Word the sword;  
Pray now to God - Fa - ther and friend, Him from whom Christ dared to des - cend,  
Thank Him for all bles-sings of life, Those bring - ing joy as well as strife -

Let love in strength car - ry the day, Love as His name, firm - ness His way.  
Show - ing through death love of no end, Then in God's strength death to trans - cend.  
Give thanks to God, His love a - bounds, Give vent to praise in joy - ful sounds!

Tune: HARD LOVE
