Tune Name: HARVEST
8.8.8.8.(D)

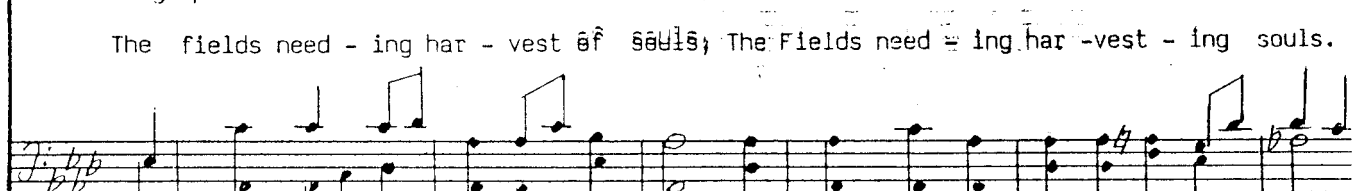

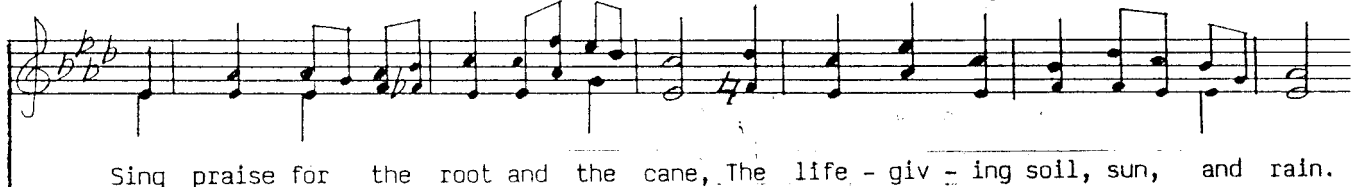

Words and Music by
James L. Clark

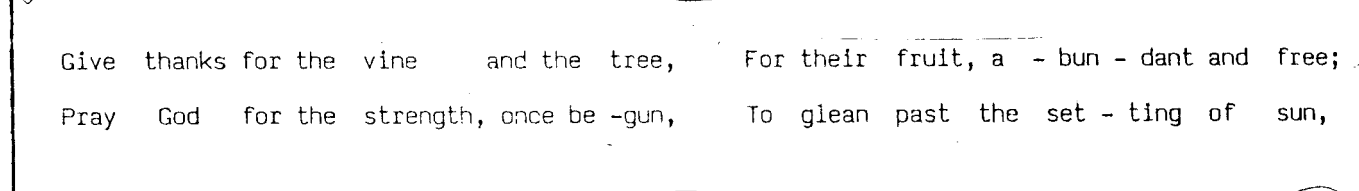

1. Praise God for the har - vest of grain, True gold of the moun-tain and plain;
2. Pray God for the vis - ion to see The white fields that Je - sus could see,

Sing praise for the root and the cane, The life - giv - ing soil, sun, and rain.
The fields need - ing har - vest of souls; The Fields need - ing har - vest - ing souls.

Give thanks for the vine and the tree, For their fruit, a - bun - dant and free;
Pray God for the strength, once be - gun, To glean past the set - ting of sun,

For all veg - e - ta - tion of earth, And God - or - dained year - ly re - birth.
That no prec - ious soul may be lost, No mat - ter the toil or the cost.
