

SON OF GOD, CREATOR

Words and music
by James L. Clark

Tune Name: PROPITIATION
6.6.6.6.(D)

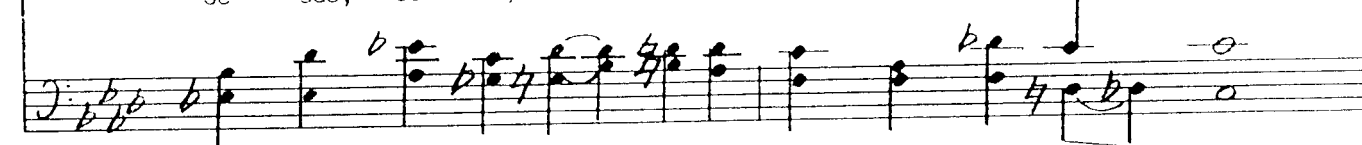

1. Son of God Cre - a - tor - but born quite out of sight;
2. Word of God, all know - ing, as Truth in hu - man seed;
3. God Him - self in - car - nate - di - vin - i - ty on earth,
4. Je - sus, Je - sus, Je - sus! From birth in hum - ble stall

Gran - deur not His por - tion, though such would seem His right;
Yet brought forth so hum - bly! Should a - ny - one pay heed?
Yet with love for all souls, no mat - ter whence their birth;
Through a life of giv - ing, and then in giv - ing all;

Pro - phe - sied through a - ges as con - quer - or su - preme -
Fore - or - dained in spi - rit to be God's ver - y choice,
Fore - told by the sa - ges as One whose stripes would heal,
Je - sus, Je - sus, Je - sus! Not count - ing such as loss,

Yet, born in a sta - ble - a pea - sant, it would seem.
Yet, low - born to pea - sants - Thus, who would hear His voice?
Whe - ther rich or low - ly.....the sta - ble does re - veal.
Fash - ioned true re - demp - tion....in dy - ing on the cross.
