Through whom re - demp - tion thus is won, And life e - ter - nal thus be - gun.
A life by Sa - tan's mean de - sign, Then, trust - ing Christ, new life de - fine.

With praise ap - proach the Spir - it God Who breathed the life to Mo - ses' rod,
Praise Je - sus Christ, the mur - dered son, Who on the cross God's will had done
Sing praise to Trin - i - ty di - vine, Who from this world will not re - sign,

And brought back Mo - ses there to trod Where Christ turned mount to sa - cred sod.
