1. Born in a sta-ble, no room in the inn, A life hard and low - ly, there to be - gin;

2. Born in a sta-ble, no room in the inn, God's gift as all man-kind's an - swer to sin;

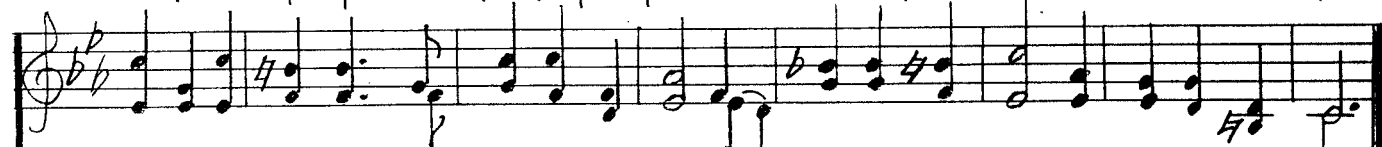

Birthed as an out - cast, a child crude - ly born In mo - ther's deep an - guish, inn - keep - er's scorn.

Loathed as an out - cast, de - spised by His own, But served to bless peo - ple - then died a - lone.

Cre - a - tor in - car - nate - God in the earth, The Word in the flesh through vir - gin - pure birth;

His time lived for o - thers, death on a cross, With life gained for all, His own life a loss;

God as a per - son to show how to live And how to face death and how one should give.

Heal - ing for man - kind through His bit - ter cup, Sal - va - tion brought down, Him - self giv - en up.
