

The Rugged Cross On Which Christ Died

Words and Music by
James L. Clark

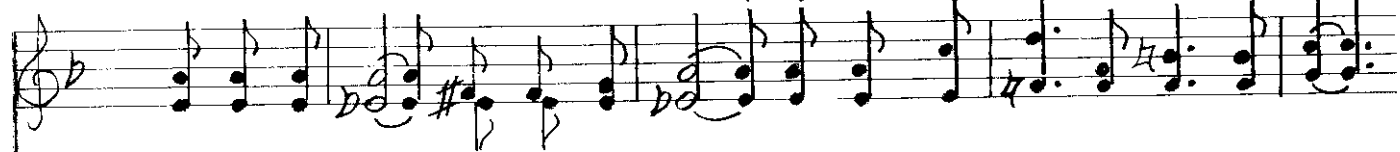

Tune: PEACE
L.M.D.

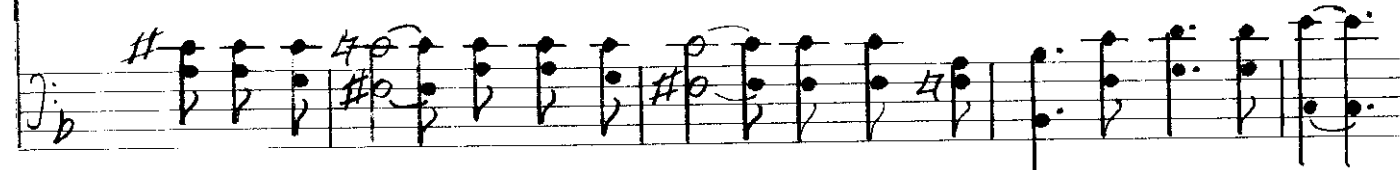

1. The rug - ged cross where - on Christ died Por - trayed my sin He nul - li - fied,
2. The rock - bound tomb from which Christ rose Por - trayed my end, my last re - pose,

So, since that sin through Christ had died, The cross it - self was cru - ci - fied.
But since Christ lives, I, too, a - rose, No earth - ly tomb my life to close.

That sym - bol of man's wretch - ed way That stood in in - fa - my that day
That sym - bol of man's fi - nal way, Now, o - pened, points to end - less day,

Was crum - bled then - com - plete de - cay, And stands for noth - ing more to - day.
Un - sealed by God - com - plete de - cay, It stands for noth - ing more to - day.
